CLOSE UP ON CHILD WITH BLACK EYE

NARRATOR

The world may never know what goes
on inside or might not even believe
it. But while they don't know... a
child is hit, slapped, whipped...
tortured.

There's over 27,000 Child Torture
cases every year.

9 times more likely to become
involved in criminal activity.

and at least one psychological
disorder.

Screen goes black, then transitions to a child

NARRATOR

Then there's you. Happy, smiling,
loved.

What a tortured child would do to
have that.

Logo and slogan goes on screen

Stop the pain, and feel home.
